

Fabrizio Lolli

Choreographer/Teacher/Artist

I live and breath Hip Hop since 25 years, considered one of the pioneer in Italy and I am a recognized Choreographer and teacher, also well known as judge.

I choreographed shows for different Theaters and events in Italy, and worked for theater projects, as well as some of my works passed on many European TV channels.

Event manager, director, promoter and producer of 13 Hip Hop shows (*Funk Fever*, *Urban Story*).

CEO and Art Director of DNA (Dance Nation Association): 3 schools in Ferrara, only for Street Dance, where the most famous teachers all over the world are invited.

Presenter in many international Conventions, Campus and Conferences. (8 editions of Tanz Bozen, Conero Dance Camp, etc..),

Judge for several kind of dance competitions for different international organisations.

Columnist and writer for Street Magazines.

Coach of the first profession Cheerleaders Team in Italy (*Angels*).

I worked as choreographer for brands like:

- . Nike International
- . Pirelli
- . Heineken
- . Ferrari Racing
- . Football Teams (Juventus, Inter, Chelsea, Lazio, ecc..)
- . Kinder Ferrero.
- . Italian Basket Federation / Italian Volley Federation.

I offer stages and workshops of Hip Hop dance (New Style), well known for my didactics and style: a personal confluence and core of studies and experiences where hip hop dance and most of all groove are the top elements. My vision is to create choreographies where control, breakdowns and the old school techniques meet the groove and the flow of all bodies dancing. It's also possible to call me as a choreographer for shows, art director for theatre productions or events, as well as private lessons for individual dancers or teachers, also for didactics and pedagogy about lessons for kids.

I can be booked in combination with different assistants.

If you have any questions or you are interested in hosting a master class or workshop, please feel free to contact me:
